

Owlsbury Allotment Tenants Society

Meeting Agenda

Meeting Date 27th July 2009

- Agree minutes of last meeting
- Bank Account
- Update on site facilities
 - Shed / Sheds
 - Toilets
 - Notice Board
 - Info on the rest of the Owlsbury site (Not OATS business but a nice update)
- Events:
 - Feedback from the BBQ
 - Charity veg donations to elderly?
 - Guest speakers (Bees, Organic)
 - Childrens Ecology Survey (Requested by Terry Ferdinands)
 - Other events (such as christmas do, quiz, summer BBQ etc)

Requests from Duncan Blakeway:

1. Following our discussion at the weekend, I attach a poster suitable to put on the noticeboard (This is to offer “Man and a Rotavator”.)
2. Also if you wish to discuss with the committee, and subsequently put forward to members, my suggestion of doing all the mowing between the allotments on site, I have worked out a costing of £10.00 per plot, per annum. This covers fuel and maintenance of machinery.
3. Another idea that sprang to mind after talks with other plot holders, is it possible to set up a communal composting clamp at the top of the site, in the area currently used for manure. If this is possible, I am quite happy to obtain costings of materials to construct this and maintain it throughout each year.

Any other concerns raised by members
